

# MARIA'S PROPHETIC MESSAGE TO CCC IN 1986

Outlined below is a summary of the prophetic message to CCC between October 5th - 7th 1986 and the arising events.

As mandated by BADA (then Supreme Evangelist), the Prophetess and the Elders (from CCC Ijeshatedo 1) were at Ketu to BADA. Together with him are:

Superior Evangelist S.O. Ajanlekoko

Hon. Evangelist O.A. Adefeso

Hon. Evangelist J.K. Owodunni

Hon. Evangelist O.O. Ogunlesi

Senior Evangelist Zannu

After the usual Celestial greetings, A.A. Bada informed the people around that to confirm the authenticity of the message, the prophetess shall be put to test to know whether She was under the spell of evil spirits. He (A.A. Bada) then placed a covered white dish on the table and implored the prophetess to tell the people present the content of the dish.

Bada started singing Hymn 205 and everyone joined in singing. The prophetess immediately went into trance, delivered the divine message as given on 5th October 1986; but with a warning that no one should try to tempt the word of God saying: He is the Almighty who installed kings in Israel. A.A. Bada insisted on the prophetess letting out the content of the covered dish so that he can ascertain the truth of the message.

Then the prophetess went further in warning A.A. Bada saying:

Bada, Bada, do not make yourself the Pastor of Celestial Church of Christ.

Bada, do not anoint any member of the fold.

I am the Almighty God who installed Kings in Israel.

She went further by warning him not to tempt the Lord of Host.

Bada should not go against the words of the Almighty God.

It is more profitable to obey God rather than men.

Do not put yourself in a position, I, the Almighty God did not put you there.

The Prophetess went further that she saw four angels from the four corners of the world upholding the covered dish and brought the dish to her. Then, they opened it and behold, the content was a BUNCH OF KEYS. A.A. Bada confirmed prophecy and brought out the bunch of keys to the notice of everyone present. Immediately, there were shouts of Halleluyah and jubilation. A.A. Bada concluded by saying that "THE WILL OF THE LORD BE DONE" and then released the prophetess and the church elders.

## COMMENTS

The message is sent directly to A.A. Bada as a precaution to the steps he is about to be led into by the CCC Elders and lying prophets. Of all the prophecies that came around that time (both positive and negative), this is the only one that was openly tested before many witnesses in line with scriptural admonition. One can therefore affirm that it is the ONLY VERIFIED PROPHECY on the issue of succession.

CCC has been in court for one case or the other since then. The church has had factions since 1986. Some churches like Celica, Independent Celestial, Evangelical emerged as off-shoot of CCC. Today, we have more than six people claiming to be PASTOR with headquarters in various places. The church in Benin Republic even has their own pastoral and garment system.

All we need to do is to pray that God should send us the chosen ONE. He is the only ONE who will unify CCC and bring an end to the reign of satan in our church. But, meanwhile, grow your parish, do the work of an evangelist, convert souls for Christ, help the needy, cooperate with your spiritual/administrative heads(Pastors/shepherds) - these are the requirements of God at this trying time.
